Internet para periodistas (Manuales) (Spanish Edition)

Silvia Cobo Juárez

Internet para periodistas (Manuales) (Spanish Edition) Silvia Cobo Juárez

Internet es ya una herramienta de trabajo indispensable para cualquier periodista, trabaje en un medio digital, audiovisual o impreso, o en un gabinete de comunicación. Su impacto en la labor del periodista no se limita a una forma de distribución de la información, sino que se extiende a todo el proceso informativo de investigación, redacción, composición y distribución. Este «kit de supervivencia» está destinado a mejorar las habilidades digitales de cualquier tipo de periodista. El libro se aproxima a distintas disciplinas de internet desde un punto de vista periodístico y muy práctico: cómo escribir para internet, uso eficiente de buscadores, técnicas de posicionamiento en buscadores, analítica web, redes sociales, monitorización y verificación de fuentes de información, junto a las coberturas en tiempo real y la distribución estratégica de los contenidos en redes sociales y otros canales. Para cerrar el círculo aborda la marca personal del periodista, como motor de cambio que será decisivo en los próximos años.
