**The Eternal Dream** Robert C. Payne

This book came about from my hyper imagination through dreams, every night for about a week I kept on having these dreams about action, romance and the same characters when I decided that I would have made a great story.

The whole plot was given to me through my dreams but I had to flesh out the personalities of the characters and do research on the site locations, customs and languages used in the book.

All in all it took me close too nine months too make my dreams into a book.
