## **Acquisition in Different and Special Subject Areas** Linda S Katz

Learn how acquisitions librarians successfully serve specialized users!

In this book, you'll find profiles, methods, and processes for acquisitions in specialized subject areas, such as local and regional poetry, oceanography, educational information in electronic formats, popular fiction, regional and ethnic materials, and more. Seasoned acquisitions librarians share their experiences in gathering the hard-to-find materials their libraries' highly specialized clients need to access. You'll also examine issues surrounding the acquisition of new reference tools that are vital in today's emerging electronic environment.

With *Acquisition in Different and Special Subject Areas*, you'll examine:

- methods of ferreting out local and regional poetry—from Daniel Veach, editor/publisher of the *Atlanta Review*
- the acquisition process in a specialized institution devoted to oceanography—from Elizabeth Cooksey of the Skidaway Institute of Oceanography
- how to acquire regional and ethnic materials for your library collection
- a practical guide to the acquisition of material from an African country (based on the author's experience in the West African nation of Benin)
- acquisition of Web-based educational materials
- acquisitions in the expanding area of popular fiction
- an acquisition librarian's mission to the multilingual nation of India, where she assessed the acquisition possibilities for the new India Studies program at Indiana University
