Clinical Trials Risk Management

Martin Robinson, Simon Cook

Plan preventative and contingency actions

The stand-alone chapters provide easy access to topics, while anecdotal and visual examples make them easy to remember. Martin Robinson and Simon Cook deliver a clear interpretation of complex information, thus saving you the time it would take to wade through a lengthier text, adopting a straightforward approach to examining clinical trials from a risk manager's perspective. A practical, readable guide, the book is filled with information that can be put to immediate use to improve current or planned clinical trials.
