*Bruno Brunello, Daniela Pellizzaro*

**Il piccolo Fennec e altri animali (Italian Edition)** Bruno Brunello, Daniela Pellizzaro

Il piacere della lettura si mischia alla raffinatezza dell'esperienza che Bruno regala al lettore mutuandola da una vita avventurosa, di autentico cavaliere errante da un continente all'altro, mosso da necessità di impiego e di lavoro, ma fondamentalmente dall'amore incondizionato per la natura tout court (umani, bestietti e vegetali).

È anzitutto un raffinato etologo (La natrice dal collare), un vero maestro di Botanica e di coltura vegetale, è un sottile filosofo di ascendenza anche leopardiana (cf Le zanzariere e il rinvio alla dura, ma vera realtà de La ginestra), ma fondamentalmente è un maestro di vita!

Bruno ha una raffinatezza sensoriale che gli permette di offrirci una visione più intensa ed una lettura più profonda di quanto ci circonda.

C'è una saggezza che, ben lungi dall'essere ciarlataneria, è «scienza sperimentata ed applicabile».

Commovente la sua vita in simbiosi con una Natura variegata e sempre sorprendente; indimenticabili i riti di seppellimento e di «accudimento» oltre il mondo della luce di tutte le creaturine... andate!

L'incorreggibile devozione di Principessa ne è il trionfale suggello.

Lo stile è ricco, variegato e, all'occorrenza, plastico ed adeguatamente colorito.
