In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details the sinister nature of the defining event of the 21st century and explains the vast scope of the machinery of oppression that has been constructed around us.
