The Soul of the Rhino: A Nepali Adventure with Kings and Elephant Drivers, Billionaires and Bureaucrats, Shamans and Scientists and the Indian Rhinoceros Hemanta Mishra

The story of a Nepalese who has spent his entire life safeguarding an endangered species

This new release is a spirited yet humble account of one man's scientific career and personal journey to save the endangered rhinoceros in his native Nepal. Fresh out of university, Mishra began his work with aboriginal tribes, the Nepalese royal house, the World Wildlife Fund, and the World Bank to protect the animal in its Himalayan habitat. In spite of decades spent political arm-wrestling, traveling and fund-raising, Mishra is still fearful to this day that Maoist insurgents and poachers will kill off the Asian rhinoceros for good—a tragedy after all his hard-won gains. This is the first book about saving the Asian one-horned rhinoceros, and the only one to delve into the multi-layered political labyrinths of wildlife conservation in South Asia. Filled with candor and bittersweet humor, Mishra recreates his journey on behalf of the rhino, an ugly yet enchanting, terrifying yet delicate creature. In the tradition of Leakey and Fossey, Mishra will be hailed by the media as the animal's advocate, and SOUL OF THE RHINO will quickly engage the soul of the reader.

Hemanta Mishra now lives in Virginia. This is his first book.
