Triangular Teaching: A New Way of Teaching the Bible to Adults Barbara Bruce

Barbara Bruce wrote *Triangular Teaching* “to help teachers and leaders to engage their adult students with scripture so that it becomes life-changing.” This practical, hands-on book trains Christian education leaders and teachers in the methods of “triangular teaching,” an integrated approach involving multiple intelligence theory, brain research, and creative and critical thinking. It includes a section explaining triangular teaching methods and Bible lessons that illustrate the methods. The book includes helpful triangular teaching tips for the activities described in the Bible lessons. An appendix includes worksheets that a leader or teacher can photocopy for use in a group.

“Barbara Bruce has created a delightful resource for those who want to teach the Bible effectively and engagingly to contemporary adults. Not only does the book give you pre-planned lessons, but it explains the theories behind each teaching decision. This combination of theory and practice will quickly teach teachers to teach more effectively.”

-Dr. Margaret Ann Crain, Associate Professor of Christian Education, Garrett-Evangelical Theological Seminary

“*Triangular Teaching* is an excellent tool for teaching church educators how to be more proficient in facilitating learning. It is a trailblazing resource that weaves three concepts with great clarity and sharing the 'whys' is quite helpful in enabling teachers to develop the skills as second nature.”

- Dr. Mary A. Love - Editor Church School Literature, AME Zion Church, Adjunct Professor, Christian Education - Hood Theological Seminary

“Barbara Bruce has done it again. Not only does she model for us how to teach using multiple intelligences, but this book is a wonderful set of experiences. Go ahead and begin to teach!!!”

-Dr. Jack Seymour, Professor of Religious Education, Editor, *Religious Education*, Garrett-Evangelical Theological Seminary

Barbara Bruce is a respected leader in Christian Education. She offers workshops around the country in the areas of creativity, multiple intelligences, and brain research and how to use these areas of research in Christian Education and faith formation. She has published several books including *Seven Ways of Teaching the Bible to Adults*, *Teaching and Learning With Adults*, *Mental Aerobics*, and *Our Spiritual Brain*.
