Ask Tom Why is a collection of articles originally written by Tom Skilling for his *Chicago Tribune* column of the same name. Skilling, who is WGN-TV's chief meteorologist, answers questions covering all topics pertaining to weather, the sky, and our environment.

Split into three sections, the book covers storms and inclement weather; the sun, moon, and sky; and temperature — all expressed with the authority and accuracy of Chicago's favorite meteorologist. Skilling's nearly forty years in the meteorology field make him one of the most trusted voices in a city known for its erratic weather.

From the mundane to the anomalous, Skilling explains all things weather in a way that is easy for readers of any age to understand. *Ask Tom Why* is the first collection of its kind, and a fantastic read for weather enthusiasts, and anyone who grew up reading, listening, and watching Tom Skilling.
