Christian Meditation Hans Urs von Balthasar

While von Balthasar's classic Prayer is unparalleled in its development of the Trinitarian, Christological, Mariological and ecclesiological dimensions of prayer, Christian Meditation is a short, readable and eminently practical guide to that form of prayer which God's revelation in Jesus Christ has made indispensable: meditation on the word of God revealing the inner depths of God to man and--since it comes from God made man--the inner depths of man to himself.

In a treatment that is both fresh and profound, Balthasar describes the central elements of all Christian meditation, provides a guide for making the meditation and then points the way to the union that prayer achieves in the footsteps of Mary, within the Church and in and for the world.
