## **Jesus of Nazareth: The Life, the Faith and the Future of the Prophet** James P. Mackey

A life of Jesus researched and written with the central purpose of discovering the true kind and content of the faith for which he lived and died, and which has come down to us as the Christian faith by which so many still profess to live. A second and equally important purpose in this research and writing is to estimate just how loyal, and how disloyal the main churches that claim his name have been over almost two thousand years. The findings are radical, in the best sense of the word, going back to the roots to revive the full and true vision of the faith of the Nazarene in churches that badly need reform at the present time if they are not to continue to haemorrhage even more members.
