Moorish Literature

René Basset

Moorish Literature René Basset

The Moorish ballads which appear in this volume are selected from a unique department of European literature. They are found in the Spanish language, but their character is oriental; their inspiration comes from the Mahometan conquerors of northern Africa, and while they exhibit a blending of Spanish earnestness and chivalry with the wild and dashing spirit of the Arab, they present a type of literature which is quite unparalleled in the Latin and Teutonic countries of the Mediterranean basin.
