Power Trip: U.S. Unilateralism and Global Strategy After September 11 (Open Media Series)

Power Trip: U.S. Unilateralism and Global Strategy After September 11 (Open Media Series)

A concise dissection of the new U.S. unilateralism, Power Trip is the first book-length critique of this fundamental shift in U.S. foreign policy to consolidate and extend U.S. global control. Charting the new terrain of foreign policy after September 11 and demonstrating how the Bush administration is building on the policies of its successors, here are Barbara Ehrenreich, William Hartung, Ahmed Rashid, Michael Ratner, Noy Thrupkaew, Coletta Youngers, Mark Weisbrot, and their contemporaries on the Bush administration and its flawed ambition to control the world.
