## **Resolving Cyprus: New Approaches to Conflict Resolution** James Ker-Lindsay

Over the past fifty years the Cyprus Problem has come to be regarded as the archetype of an intractable ethnic conflict. Since 1964, the United Nations has been at the forefront of efforts to find a political solution to the dispute between the island's Greek and Turkish communities. And yet, despite the active involvement of six Secretaries-General (U Thant, Kurt Waldheim, Javier Perez de Cuellar, Boutros Boutros Ghali, Kofi Annan and Ban Ki-Moon), every attempt to reach a mutually acceptable solution has failed. Here, James Ker-Lindsay draws together new and original perspectives from the leading experts on Cyprus, including academics, policy-makers, politicians and activists. All have addressed one deceptively simple question: 'Can Cyprus be solved?' Resolving Cyprus presents a comprehensive overview of the Cyprus Problem from a variety of approaches and offers new and innovative ideas as to how to tackle one of the longest running ethnic conflicts on the world stage. This represents an essential contribution to the body of work on Cyprus, and will be required reading for all those following the debates surrounding the Cyprus problem.
