Suicide Point Georgie Leigh

Everybody knows jumping into unknown waters is suicide. But sometimes it's the only way off the ledge. When Sydney cop Ness meets vivacious surfer boy Charlie, his resolve to never fall in love again shatters. Charlie's carefree life of sun, sand, surf, and sexy men is disrupted when the only way Ness and the emergency response team can save him from a car wreck is to remove his right arm. Charlie needs support and companionship, but as he and Ness take a leap of faith into love, their doubts and fears are compounded by the possessiveness of Charlie's troubled foster brother. Amid physical and emotional chaos, Ness and Charlie fight for the only thing that can save them: each other.
