The Boys and Their Baby Larry Wolff

“The boys” are Adam and Huck, former college roommates. A decade out of college and just as long out of touch with each other, they are reunited when Adam arrives to share Huck’s apartment on Russian Hill in San Francisco.

“Their baby” is Christopher, Huck’s entrancing almost-one-year-old son, whose mother is nowhere in evidence and, at first, much to Adam’s befuddlement, mysteriously unmentioned.

The story centers on Adam as he sets out to construct a life for himself in the unfamiliar city. He assumes his new job as an English teacher at a fancy private school, where one of his students develops an obsessive (and disturbing) interest in him. Adam coasts into simultaneous affairs with two women: one of them a striking, locally celebrated chanteuse, and the other a physics teacher with a distinctive footwear fetish.

As the city and its denizens—women and men, gay and straight, young and old—make Adam welcome in various and telling ways...as he approaches a certain peace with his past (through letters to and from his riotously enraged ex-girlfriend and his hugely intimidating mother)...as living with the baby and the baby’s father exerts a profound influence on Adam...as the story of the baby’s missing mother dramatically unfolds...we watch Adam come to surprising terms with his life and himself.

The Boys and Their Baby is a wonderfully entertaining novel of domestic and sexual manners, 1980s San Francisco-style, marking the debut of splendidly gifted novelist Larry Wolff.

From reader reviews:

Harold McDonough:

With other case, little individuals like to read book The Boys and Their Baby. You can choose the best book if you want reading a book. Providing we know about how is important the book The Boys and Their Baby. You can add expertise and of course you can around the world by a book. Absolutely right, due to the fact from book you can learn everything! From your country till foreign or abroad you can be known. About simple thing until wonderful thing you can know that. In this era, we could open a book as well as searching by internet product. It is called e-book. You may use it when you feel bored stiff to go to the library. Let's learn.

Tim Walton:

The book The Boys and Their Baby has a lot of information on it. So when you check out this book you can get a lot of advantage. The book was compiled by the very famous author. This articles author makes some research prior to write this book. That book very easy to read you can find the point easily after looking over this book.

John Harrison:

In this age globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you personally is The Boys and Their Baby this e-book consist a lot of the information in the condition of this world now. This specific book was represented so why is the world has grown up. The language styles that writer use for explain it is easy to understand. The particular writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

Willie Thacker:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Boys and Their Baby can make you sense more interested to read.
