## **Venus Trines at Midnight: Love Poems from Linda Goodman** Linda Goodman

Linda Goodman is the world's best-known astrologer. Her three books, *Sun Signs*, *Love Signs*, and *Star Signs* have sold over 40 million copies in many languages. Known to her friends as both a poet and a romantic, Linda Goodman's view of the world was influenced by the astrology she understood so well. That unique combination of talents produced this charming and profound book.

These poems about love and loss, death and reincarnation, beauty and romance, all seen through the prism of an astrological landscape, teach us how this fascinating science helps weave the fabric of our lives. But even more than that--like most great poetry, they make the heart sing and the spirit soar, and give us the wisdom to appreciate that the dance is eternal.
