Peter Douglas Downey, Ben James Shaw

Everything You Want to Know about the Bible: Well...Maybe Not Everything but Enough to Get You Started Peter Douglas Downey, Ben James Shaw

It's the bestselling book ever. It's been translated into more than 2,000 languages. It's changed people's lives around the world. No, it's not *Thin Thighs in 30 Days* . . . it's the Bible!

Yet the Bible remains about as well-understood to many people as your typical software license agreement—and about as exciting. That's too bad, because the Bible is exciting, and it doesn't have to be a mystery.

Whether you're new to the Bible and think the book of Job is a guide to finding the perfect career, or your rusty Bible knowledge needs a spit-and-polish, or you just want a fresh look at the book you've read so many times, this is the book for you. No dry theological treatise, it's written in an engaging, humorous style you will enjoy.

In short, readable chapters, the authors first answer some basic questions: Who wrote the Bible? Is it accurate? How do you find your way around it? And how did Noah fit all those animals into the ark anyway? (Well, maybe not that, but there's still plenty of trivia in there.) Then they take you on a guided tour from Genesis to Revelation, summarizing important people, events, and themes. You'll get a good foundation for understanding and an excitement for reading this most important of books, the Bible.

“The title says it all! It's an inspiring trailer for the Best Book in the World. Read it front to back or just dip in—either way it does the biz.”

—Rob Lacey, author of the word on the street, actor and broadcaster

Lionel Huggins:

Is it a person who having spare time and then spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This Everything You Want to Know about the Bible: Well...Maybe Not Everything but Enough to Get You Started can be the solution, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Todd Robinson:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's internal or real their

hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Everything You Want to Know about the Bible: Well...Maybe Not Everything but Enough to Get You Started can make you experience more interested to read.
