**Forgiveness and Power in the Age of Atrocity: Servant Leadership as a Way of Life** Shann Ray Ferch

Forgiveness and Power in the Age of Atrocity coexists alongside the quiet subtleties of mercy, and people and nations currently encounter a world in which not even the certainties of existence remain even as grace can sometimes arise under the most difficult circumstances. Ultimately, *Forgiveness and Power in the Age of Atrocity* is a book about the alienation and intimacy at war within us all. Ferch speaks to categorical human transgressions in the hope that readers will be compelled to examine their own prejudices and engage the moral responsibility to evoke in their own personal life, work life, and larger national communities a more humane and life-giving coexistence. In addition to a primary focus on servant leadership, the book addresses three interwoven aspects of social responsibility: 1) the nature of personal responsibility 2) the nature of privilege and the conscious and unconscious violence against humanity often harbored in a blindly privileged stance, and 3) the encounter with forgiveness and forgiveness-asking grounded in a personal and collective obligation to the well-being of humanity. Modernist and postmodernist notions of the will to meaning are considered against the philosophical notion of the will to power. The book examines the everyday existence of human values in a time when we inhabit a world filled as much with unwarranted cruelty as with the disarming nature of authentic and life-affirming love. The book asks the question: Can ultimate forgiveness change the heart of violence? In *Forgiveness and Power*, people are challenged not only by the work of profound thought leaders such as Mandela, Tutu, but also Simone Weil, Vaclav Havel, Emerson, Mary Oliver, Martin Luther King, Paulo Freire, bell hooks, and Robert Greenleaf. The hope of the book is that people of all ages and creeds come to a deeper understanding and of personal and collective responsibility for leadership that helps heal the heart of the world.
