After their recent harrowing adventures, Middleburg's teens are hoping life will return to normal. Despite a tentative alliance between the goth Flatliners and the posh, preppie Toppers, any hope of peace is dashed when Topper girl Aimee arrives at the homecoming dance with Raphael, a Flatliner. A fight erupts between the two gangs and in the midst of the rumble, a supernatural event threatens the entire student body. Both crews must use their martial arts skills and newly acquired magical abilities to save them.

To make matters worse, Middleburg real estate moguls who have bought up most of the land in The Flats have started evicting their tenants. They are searching for a priceless treasure prophesied in ancient Chinese writings and will stop at nothing to find it. But Raphael and his impoverished Flatliners vow to find it first and use it buy back their homes.

As Raphael and his Flatliners and Zhai and his Toppers work to perfect their supernatural abilities and find the treasure, Aimee begins kung fu training with the wise Master Chin, intent on becoming strong enough to locate and rescue her missing mother. When she discovers that the mysterious treasure is the key to finding her mom, the race to find it intensifies.

But all the digging has awakened the guardian of the treasure, a force powerful enough to reduce all of Middleburg, and perhaps the world, to ashes...
