Sermon on the Mount (The Story of God Bible Commentary) Scot McKnight

Emphasizing the historical distance between the New Testament and our contemporary culture, *The Sermon on the Mount* by Scot McKnight, part of the new The Story of God Bible Commentary series, offers helpful contextual insights for those seeking to discern how to live out the Bible in today's world. Perfect for pastors, students, Sunday school teachers, and lay people alike, this highly anticipated series provides a clear and compelling exposition of the text in the context of the Bible's overarching story. The authors move away from "application" language, which has been criticized as being too simplistic, encouraging instead a wider perspective and discussion of how the biblical story can be lived today.

Offering a new type of application commentary for today's context, the Story of God Bible Commentary series explains and illuminates Scripture as God's Story, with each New Testament text examined as embedded in its canonical and historical setting, in order to foster discernment in living the story faithfully and creatively with and for the Church in the 21st Century.
