Trás-os-montes (Spanish Edition)

Julio Llamazares

Trás-os-montes (Spanish Edition) Julio Llamazares

Literatura de viajes de Julio Llamazares, donde su talento narrativo y su profunda capacidad de observación del paisaje brillan con toda su fuerza.

«-¿Habrà en el mundo una tierra más pobre que esta?
- Sí. Tras-os-Montes, en Portugal.»

«Es posible que esta vieja región histórica sea la más atrasada de la Europa civilizada, junto con las zonas más remotas e islas de Grecia y el interior de Cerdeña, Sicilia, Yugoslavia...»
Extracto de una guía de viajes de Portugal

Y, no obstante, el viajero que protagoniza este viaje portugués va creando, a su lento paso, una narración tan bella, tan hondamente humana, tan transida de comprensión (de los demás, de sí mismo, de la tierra) que el lector transita, en su lectura, por el paisaje más rico: es decir, el del hombre.

Llamazares ha escrito un libro de enormes perspectivas, indiferente a los géneros y las clasificaciones. Es novela, si novela es espejo que se pasea al borde del camino. Es libro de viajes, porque las comarcas pasan por sus páginas. Es relato iniciático, porque el viajero va transformándose con su viaje.

Y es, sobre todo, gran literatura.
