**A Huntsman Spider In My House: Little Aussie Critters (Morgan James Kids)** Michelle Ray

A Huntsman Spider in My House features a young girl concerned about a Huntsman spider appearing in her room. Rather than react immediately to kill the spider, as commonly taught by society, she finds another way—catching the Huntsman instead and then releasing it outside to let it live and support the ecosystem of Australian fauna. The little girl's actions show that insects are important, necessary, not so scary, and support the world too.
