No Ballyhoo Mauro (Mevlud) Martino

No Ballyhoo by Canadian-Italian-Turkish novelist Mauro Mevlud Martino is a kaleidoscopic look at New York life from the perspective of three generations in the Big Apple starting from the early 1900s to modern day. The novel is a microscopic look into the Polish-Jewish Cohen family beginning with Leonard Schwartz Cohen who had a prized pickling business from which he sold his famous dills from street carts of Krakow, Poland and later in Brooklyn, NY. Leonard's pickles sewed the seeds of the great Cohen family history and a gilded jar is kept on the home mantelpiece like a praiseworthy Academy Award, a reminder of the long Cohen dill pickling legacy.

From philosophic world views in references to Jung and Freud to religious beliefs - Muslim, Christian, Jewish, Buddhist, even atheist; from the exotic and traditional dishes of Istanbul, Poland, Italy, India, Africa mixed with the New World eclectic flavors of America and Canada; from the drumming of African percussions, American jazz, Turkish pipes, Polish waltzes and everything else that echoes into John's cafe from the bowels of the Martini-Cohen retro music store Last Year's Music to the grand silences and gaps of expressionless emotion that a great love renders when it happens; here between Kirk Cohen and his Turkish love interest Hesychia Mancuso; from holy books to canonic literature; from salt Kosher dishes to sweet honeyed treats of Turkey... No Ballyhoo is A Moveable Feast.

- by Vanessa McMahon (author, filmmaker and producer)

From reader reviews:

Jennifer Perez:

This No Ballyhoo is great guide for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but hard core information with attractive delivering sentences. Having No Ballyhoo in your hand like obtaining the world in your arm, facts in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen small right but this publication already do that. So , this really is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

Erika Yoon:

In this era globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher which print many kinds of book. Typically the book that recommended for your requirements is No Ballyhoo this reserve consist a lot of the information from the condition of this world now. That book was represented so why is the world has grown up. The language styles that writer use for explain it is easy to understand. The actual writer made some study when he makes this book. That is why this book acceptable all of you.

Michael Fischer:

Within this era which is the greater individual or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple way to have that. What you need to do is just spending your time very little but quite enough to get a look at some books. One of many books in the top listing in your reading list is usually No Ballyhoo. This book which can be qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking right up and review this publication you can get many advantages.

David Perrin:

Do you like reading a book? Confuse to looking for your favorite book? Or your book had been rare? Why so many concern for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book but also novel and No Ballyhoo as well as others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science publication was created for teacher or students especially. Those publications are helping them to include their knowledge. In additional case, beside science reserve, any other book likes No Ballyhoo to make your spare time much more colorful. Many types of book like this one.
