South Africa's Political Crisis: Unfinished Liberation and Fractured Class Struggles

Beresford

South Africa's Political Crisis: Unfinished Liberation and Fractured Class Struggles Beresford
South Africa's current political upheavals are the most significant since the transition from apartheid. Its powerful trade unions are playing a central role, and the political direction they take will have huge significance for how we understand the role of labour movements in struggles for social justice in the twenty-first century.
