Baptists: A Brief History

Timothy George

Baptists: A Brief History Timothy George

The simply titled *Baptists* by esteemed academic Timothy George is a one-volume narrative history of the Baptist movement from pre-revolutionary England to the end of the twentieth century. More so than dryly reported previous books on the subject, it presents an interesting, readable, and edifying account of the Baptist story that proves accessible to the literate layperson as well as college and seminary students of Baptist history and theology.

George writes as a conservative, confessional Baptist who appreciates the wider context of the Christian faith within which the Baptist movement has flourished. In retelling the Baptist story, he relies heavily on biography, focusing in on key figures and documents from John Bunyan, Benjamin Keach, and Shubal Stearns to *The Diary of Anne Judson*, African American pastor John Jasper, Billy Graham, and Bill Wallace, the Baptist witness for human rights and religious liberty

Wilma Hogan:

In this era which is the greater person or who has ability in doing something more are more valuable than others. Do you want to become one among them? It is just a simple strategy to have that. What you must do is just spend your time almost none but quite enough to have a look at some books. One of several books in the top checklist in your reading list will be Baptists: A Brief History. This book that is qualified as The Hungry Slopes can get you closer in turning out to be a precious person. By looking upward and reviewing this book you can get many advantages.

Martha Dixon:

As a university student exactly feel bored to be able to read. If their teacher requested them to go to the library or even make a summary for some guide, they are complained. Just very little students that have reading's soul or real their interest. They just do what the educator wants, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise words say, ways to reach Chinese's country. So, this Baptists: A Brief History can make you truly feel more interested to read.
