## **In the Name of Hate: Understanding Hate Crimes** Barbara Perry

*In The Name of Hate* is the first book to offer a comprehensive theory of hate crimes, arguing for an expansion of the legal definitions that most states in the U.S. hold. Barbara Perry provides an historical understanding of hate crimes and provocatively argues that hate crimes are not an aberration of current society, but rather a by-product of a society still grappling with inequality, difference, fear, and hate.
