Carlo N. De Cecco, Marco Rengo

MDCT and MRI of the Heart (A-Z Notes in Radiological Practice and Reporting) Carlo N. De Cecco, Marco Rengo

The aim of the handbook is to provide a practical guide for residents and general radiologists, organized alphabetically, primarily according to disease or condition. The handbook will be designed as a short booklet with some illustrations and schemes and will cover topics on cardiac MDCT and MRI. Entries typically include a short description of pathological and clinical characteristics, guidance on selection of the most appropriate imaging technique, a schematic review of potential diagnostic clues, and useful tips and tricks.
