Project Plans: Why and How: Doing Projects Twice the Smart Way Stuart G. Walesh PhD PE

The wisdom in the advice "If you fail to plan you plan to fail" applies to your design, construction, or other projects. This eBook describes 20 elements for possible inclusion in your next project plan. It also discusses the "dumb" and "smart" ways to do a project twice; offers advice on how to use project plans throughout a project's life; and suggests ways to embed project planning in private, public, academic, or other organizations. Many self or group-study resources are included. If you follow the advice in this book you will be much more likely to meet or exceed the schedule and deliverables expectations of those you serve while staying within budget and/or earning a larger profit.
