### Story of the "Titanic": 24 Cards (Dover Postcards)

The splendor and tragedy of the legendary "Titanic" captured in dramatic photo and illustration cards. She was "unsinkable" — a splendid monument to modern engineering and nautical design. But on her maiden voyage, during the night of April 14, 1912, the White Star superliner *Titanic* struck an iceberg and became a legend — not for its highly publicized "indestructibility," but because of the catastrophe that took the lives of more than 1,500 passengers.

In this remarkable collection, twenty-four reproductions of historic photographs and paintings recapture the character, magnitude, spirit, and tragedy of the great ship. Included are photos of the *Titanic* in dry dock and on trial runs, its captain, the ship's gigantic engine and rudder, a charmingly outfitted sunroom, and a magnificent stateroom. There are also authentic photographs of grim-faced survivors aboard the rescue ship *Carpathia* and of the ship's remains on the ocean floor.

This thrilling card collection will fascinate collectors, historians, and anyone captivated by the splendor of ocean liners of the past.
