Think. Feel. Dream. Believe.

"Inside each one of us is a *BeliefWorks* that takes the raw potential of belief and creates a one-of-a-kind worldview driving everything we do. Our *BeliefWorks* manufactures the prism through which we see life and magically transforms what is into what we believe it is."

The line between "the way it is" and what could be is often no more than a belief. As author Ray Dodd notes, what we believe is a riptide guiding the thoughts we think, the words we say, and the decisions we make. Belief touches every part of life; defining organizations, shaping trends, dividing families, and even igniting terrorism.

BeliefWorks, Ray Dodd's follow up to *The Power of Belief* will turn your mind inside out, casting a fresh light on how we love, work, play, and what holds us back from the life we desire. Discover seven secret keys for unlocking the true power of belief and put this extraordinary force to work for you.
