Fanny Says (American Poets Continuum) Nickole Brown

An “unleashed love song” to her late grandmother, Nickole Brown’s collection brings her brassy, bawdy, tough-as-new-rope grandmother to life. With hair teased to Jesus, mile-long false eyelashes, and a white Cadillac Eldorado with atomic-red leather seats, Fanny is not your typical granny rocking in a chair. Instead, think of a character that looks a lot like Eva Gabor in *Green Acres*, but darkened with a shadow of Flannery O’Connor. A cross-genre collection that reads like a novel, this book is both a collection of oral history and a lyrical and moving biography that wrestles with the complexities of the South, including poverty, racism, and domestic violence.

"Nickole Brown’s unleashed love song to her grandmother is raucous and heart-rending, reflective and slap-yo-damn-knee hilarious, a heady meld of lyrical line and life lesson. Brown is blessed to be blood-linked to such a shrewd and singular soul, and the poet's mix of monologue, myth, and unbridled mayhem paints a picture of a proper Southern lady who is just—well, unforgettable." —**Patricia Smith**

"In *Fanny Says*, Nickole Brown distills the whole of America into one woman: bawdy, loving, racist, battered, healed, and gorgeous with determination. Our country has no history that does not touch the South. Our divisions are our unions. Here, Brown unleashes a voice returned to teach us a lesson. Reader, fair warning: you can’t hide from Fanny. You will be changed by this book." —**Rebecca Gayle Howell**
