Funny Shit in the Woods and Other Stories: The Best of Semi-Rad.com Brendan Leonard

Brendan Leonard's Semi-Rad.com has become the funny, introspective voice of everyman and everywoman adventurers—from the pitfalls of introducing a new love interest to a dangerous sport, to the mishaps we have trying to use the bathroom in the wild. Since 2011, more than one million visitors have read and shared Leonard's writing, making Semi-Rad.com stories some of the most viral outdoor content on the internet. *Funny Shit in the Woods* collects 40 of Semi-Rad's most popular stories in one volume: a single portable archive without the mouse clicks or internet searches—complete with all-new amateurish illustrations hand-drawn by the author, usually while in the front seat of a moving car. If you've ever considered the absurdity of sleeping on the ground in a place where bears live, pooping in a bag on a glacier, or trying to teach someone you love a sport that could scare them to the point of loudly threatening to kill you in front of strangers—or if you find yourself inexplicably drawn to adjust the burning logs in a campfire every two minutes, *Funny Shit in the Woods* will make you laugh, and might inspire you to get outside a little bit more.
