Guitar Notes (Fiction - Young Adult) Mary Amato

On odd days, Tripp uses a school practice room to let loose on a borrowed guitar. Eyes closed, strumming that beat-up instrument, Tripp escapes to a world where only the music matters.

On even days, Lyla Marks uses the same practice room. To Tripp, she's trying to become even more perfect?she's already a straight-A student and an award-winning cellist. But when Lyla begins leaving notes for him in between the strings of the guitar, his life intersects with hers in a way he never expected.

What starts as a series of snippy notes quickly blossoms into the sharing of interests and secrets and dreams, and the forging of a very unlikely friendship.

Challenging each other to write songs, they begin to connect, even though circumstances threaten to tear them apart.

From beloved author Mary Amato comes a YA novel of wit and wisdom, both heartfelt and heartbreaking, about the power of music and the unexpected chords that draw us together.
