**Fire. It had ripped Seffie from her family and stolen her dearest friend. Will she allow it to destroy her one chance at happiness?**

Growing up a slave, Seffie served as companion to a sickly white girl and learned to read and write and even speak French. But her life of relative comfort soon comes to an end. When loss and tragedy drive the joy from her life, Seffie quickly learns to guard her heart and hide her past. Secretly, Seffie nurtures a new dream: to seek freedom in the North. But even if she succeeds, can she face the final test of fire?

Can her wounded heart learn to love again?

And so as the fifteen or more white-robed riders galloped toward Greens Crossing a little before noon, the burning torches in their hands were not to light their way as would have been the case had the raid come in the middle of the night.

They intended to put the fire to another use. . . .
