**The Girl Who Lived** Susan Berg

**The Girl Who Lived is the true story of Susan Berg, the sole survivor of a boating accident that claimed the lives of her parents and brother, and what it took for her to love life again.**

At fifteen, Susan was on a boat trip with her parents and brother when their vessel began to sink. Desperate to find help, she swam ahead, struggling through darkness and rough sea. After nearly four hours, Susan, exhausted and barely able to walk, finally made it ashore. Her family did not.

Wracked by survivor guilt, Susan began to rebel against the world. Looking for solace in sex and party drugs, she charged down a path of self-destruction. Though barely able to look after herself, she became a mother at twenty and had to navigate for two. It was not until many years later, when Susan cheated death for a second time, that she learned to love herself, and life, again.

This is a candid, dramatic and powerful memoir for anyone who has ever lost their way.

### From reader reviews:

#### David Hogan:

Precisely why? Because this The Girl Who Lived is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.

#### Joyce Volz:

Playing with family inside a park, coming to see the ocean world or hanging out with buddies is thing that usually you have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Girl Who Lived, you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't understand it, oh come on its known as reading friends.

#### Lou Marshall:
