Whether you're looking to marry for the first time or hoping to remarry, *How to Get Married After Thirty-Five* guides you through the process with sensitivity and humor, and shows how to:

- take personal responsibility for your life
- embrace your goals and what's in your way
- grasp what you need in a partner
- recognize him once you meet him
- avoid men who are destructive or unmarriageable
- master the world of internet dating

Finally, with wisdom and encouragement, Helena Rosenberg offers practical advice on where to find eligible men (they do exist!), how to assess a man for his marriage potential, and why marrying the man of her choice after thirty-five had almost nothing to do with luck.
