**Matthew (The Circle Eight Book 1)** Emma Lang

Emma Lang is always on my must-read list. --Cynthia Eden

It is a vast spread in the eastern wilds of the newly independent Republic of Texas, the ranch their parents fought for. . .and died for. To the eight Graham siblings, no matter how much hard work or hard love it takes, life is unthinkable without. . .

In the wake of his parents' murder, Matthew Graham must take the reins at the Circle Eight. He also needs to find a wife in just thirty days, or risk losing it all. Plain but practical, Hannah Foley seems the perfect bride for him. . .until after the wedding night. Their marriage may make all the sense in the world, but neither one anticipates the jealousies that will result, the treacherous danger they're walking into, or the wildfire of attraction that will sweep over them, changing their lives forever. . .
