Il villaggio di Hesteyri nei mesi invernali è disabitato e quasi irraggiungibile. L'unico contatto con il resto dell'Islanda è un traghetto perennemente in balia del vento e del mare. In questo luogo desolato, tre giovani provenienti dalla capitale hanno deciso di ristrutturare una casa per trasformarla in un albergo. Ansiosi di mettere a frutto il loro investimento, si sono arrischiati a viaggiare fino a Hesteyri nel periodo più freddo per mettere mano ai lavori. Il piccolo gruppo presto si rende conto che non solo la ristrutturazione è molto più difficile del previsto, ma anche che sul villaggio deserto aleggia un'atmosfera sinistra. I telefoni cellulari si scaricano senza motivo e una presenza indistinta sembra seguirli, lasciando tracce che suggeriscono un messaggio indecifrabile. Impossibilitati a comunicare con l'esterno, i tre possono solo aspettare che il traghetto torni a prenderli nella data stabilita, mentre la tensione tra loro continua a crescere. Negli stessi giorni Freyr, uno psichiatra, sta aiutando la polizia nell'indagine su un caso di vandalismo in una scuola. La vita dell'uomo è cambiata da quando suo figlio Benni è misteriosamente scomparso tre anni prima; una tragedia che lo ha gettato nello sconforto e ha distrutto il suo matrimonio. Nel corso dell'indagine Freyr risale a un altro atto vandalico compiuto nella medesima scuola cinquant'anni prima, lo stesso periodo in cui un giovane allievo è svanito senza lasciare tracce: un caso fin troppo simile a quello di Benni e che sembra affondare le sue radici nel remoto villaggio di Hesteyri... Yrsa Sigurdardóttir, la regina del thriller islandese, intesse due vicende parallele per creare un mondo inquietante che mina le certezze del lettore; dove ogni personaggio nasconde un segreto, dove la paura è in agguato nelle strade deserte e nel rumore delle onde.

#### **Anthony Davidson:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Mi ricordo di te (Italian Edition) can make you feel more interested to read.
