## **Table for One: New York City** Michael Kaminer, Jonathan Boorstein

At last . . . welcome dining help for the lone traveler. Anyone who has ever traveled alone has faced two options: ordering wildly overpriced room service, or braving unknown streets to dine alone. If one elects the latter, he or she could be greeted with rude looks, poor, indifferent service, too much noise, too little light, and disappointing food. Finally here is a book to rescue the lone diner and put the business traveler or newcomer to New York at ease when making a dining decision. In "Table for One: New York," Author Michael Kaminer rates the restaurants in terms of friendliness, service, lighting, food, wines by the glass, and comfort--all from the perspective of the single diner. He also discusses what to expect in terms of price, food preparations, and clientele.
