Heart of Ice (Demon Souls #1) S. a. Welsh

Frost Dante, the most powerful demon warrior in over a millennia, is a demon with high responsibility. Nightmare memories and flashbacks, annoying younger brothers that come in pairs, and a demon council determined to kill him and destroy his family are only the beginning. Blair and Cian, virgin snow leopard shifters, were kidnapped and held captive by a soul-draining monster. Every day means pain and loneliness until a demon saves them--their mate. With an evil council hell-bent on killing them only the strongest will come out on top. Is Frost strong enough to protect everyone he loves or will he let the ice take over and freeze the love he feels for Cian and Blair?
