Barack Obama

En **La audacia de la esperanza**, el senador demócrata Barack Obama reclama una política diferente—una política para quienes están cansados del agrio partidismo, una política que se basa en la fe, la participación de todos y la nobleza de espíritu que es parte esencial de “nuestro improbable proyecto de democracia”. En el corazón de este libro está la visión del senador Obama de cómo podemos superar nuestras divisiones para enfrentar los problemas concretos. Él examina la creciente inseguridad económica de las familias estadounidenses, las tensiones raciales y religiosas dentro del cuerpo político y las amenazas transnacionales—desde el terrorismo hasta las pandemias—que se congregan más allá de nuestras costas. En sus anécdotas acerca de su familia, amigos, miembros del Senado y hasta del presidente, existe un poderoso deseo de establecer conexiones: la plataforma de un consenso político radicalmente optimista. Como senador y abogado, profesor y padre, cristiano y escéptico, y sobre todo como estudioso de la historia y de la naturaleza humana, el senador Obama ha escrito un libro de un poder transformador.
