London's Best-Kept Secrets David Hampshire

London is one of the world's leading tourist destinations, with a wealth of world-class attractions – more than any other city in the world – which draw millions of visitors a year, including amazing museums and galleries, beautiful parks and gardens, glorious churches and cathedrals, stunning palaces and grand houses, and much, much more. These are covered in numerous excellent tourist guides and need no introduction here. What aren't so well known are London's numerous smaller – but no less interesting – attractions, most of which are largely neglected by visitors and Londoners alike.

What our London's Secrets series of books does is take you off the beaten path – side-stepping the city's tourist-clogged major sights – to seek out its lesser-known, more off-beat and mysterious side. London's Best-Kept Secrets brings together the very best attractions – the 'greatest hits' – that we have discovered over the last five years. It includes some of the city's loveliest hidden gardens and parks, absorbing and poignant small museums, great art and architecture, beautiful ancient buildings, magnificent Victorian cemeteries, historic pubs, fascinating markets and much more.

Entries range from the enchanting Hill Garden to the magical canals of Little Venice, from the home of Britain's greatest naturalist to Dennis Severs' haunting home, from the moving Foundling Museum to the birthplace of Big Ben (and the Liberty Bell), the splendor of some of Wren's greatest churches to a lovely house designed by William Morris, and from the spectacular treasures of Syon House to atmospheric Kensal Green cemetery.

London's Best-Kept Secrets isn't intended as a walking guide, although many of the places covered are close to one another, particularly in central London and the City, where you can easily stroll between them, while some are situated in the suburbs. However, most are close to public transport links and relatively easy to get to. What's more the vast majority are free, so there's no excuse for not getting out there and exploring.

With a copy of London's Best-Kept Secrets to hand to inspire you, you need never be bored of London (or life). We hope you enjoy discovering the city's hidden secrets as much as we did.

From reader reviews:

Belinda Timmer:

What do you concentrate on book? It is just for students because they're still students or this for all people in the world, exactly what the best subject for that? Only you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book London's Best-Kept Secrets. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

Alma Hillyer:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They have to answer that question mainly because just their can do that. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need that London's Best-Kept Secrets to read.

Kathy Graves:

Reading a publication tends to be new life style within this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write to their book. One of them is this London's Best-Kept Secrets.

Beatrice Rogers:

Does one one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't judge book by its protect may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer might be London's Best-Kept Secrets why because the wonderful cover that make you consider in regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly direct you to pick up this book.
