The Deepteachings of Merlyn Douglas Monroe

This is the third and final volume of Douglas Monroe's Merlyn series. The Dark Age of Druidism of Merlyn was entirely based upon the teachings of the Pheryllt, a British Megalithic Priesthood whose practices and philosophies set the essence of what later Druidism would become - set, quite literally, in stone. Drawing once again upon the 16th Century Book of Pheryllt in addition to countless other volumes from Plato to Einstein, the author clearly establishes that the answers to nature's deepest questions lie well within our capacity to grasp - providing we understand how to look at the completed picture. Does the mind possess supernatural abilities? Does individuality survive bodily death? Is rebirth the evolutionary design of a Creator? As a young military commander in training, Arthur now faces his deepest trials as he challenges Merlyn with these three ultimate questions. Alongside him, begin your own quest to search out - and find! - answers to these and many other age-old mysteries.
