The Golden Bough: A Study in Magic and Religion

James George Frazer

The Golden Bough: A Study in Magic and Religion James George Frazer

First published in 1915 in a 12-volume edition and later abridged by the author, this work is a survey of myth, magic and religion throughout history. It has served as a source of inspiration for many, including T.S. Eliot and Sigmund Freud. It sets out the seminal themes of myth and magic that emerge throughout the history of the human imagination.; Themes such as the death of the fisher king and the sacred oak grove are traced through the rituals of ceremony and sacrifice from Ancient Greece, through druid and shaman traditions, the worlds of Odin and Arthur, to the bedrock of image and symbol that underlies human consciousness.
