Prepare yourself for the wrath of the Norsemen! That is, if you don't mind and it's not too inconvenient... Everyone knows Vikings are ruthless barbarians whose idea of a good time involves pillaging, plundering and feasting. But Thorfinn is no ordinary Viking! He is always polite and happily offers to wash the dirty dishes. Too bad his dad is Harald the Skull-Splitter, Village Chief and the roughest and toughest Viking of them all. The king of Norway is coming to visit Indgar village and Thorfinn is named Head Chef for the greatest feast the village has ever seen. Apparently the king has a taste for exotic fish, but he's also been known to catapult chefs who displease him into the sea! Thorfinn sets sail for Orkney with a ragtag crew to visit his Uncle Rolf and learn how to cook and catch fish. But it seems a poisoner is at large and he has his eyes on the poisson... Thorfinn the Nicest Viking is a funny, illustrated, action-packed new series for young readers who love Horrid Henry and Diary of a Wimpy Kid, set in a world where manners mean nothing and politeness is pointless!
