Who is Jesus? What is salvation? What is the good news? Our earliest written account of Jesus' ministry is widely acknowledged to be that of the Gospel of Mark. If so, it remains key in our answering these questions. Alan Cole treads a careful path between exclusively this-worldly or other-worldly interpretations of this landmark Gospel. His commentary provides a helpful starting point for all contemporary preaching and teaching from this Gospel. This classic commentary has been completely retypeset and presented in a fresh, vibrant new large paperback format, with new global branding.
