Homegrown Democrat: A Few Plain Thoughts from the Heart of America Garrison Keillor

In this thoughtful, deeply personal work, one of the nation's best-loved voices takes the plunge into politics and comes up with a book that has had all of America talking. Here, with great heart, supple wit, and a dash of anger, Garrison Keillor describes the simple democratic values—the Golden Rule, the obligation to defend the weak against the powerful, and others— that define his hard-working Midwestern neighbors and that today's Republicans seem determined to subvert. A reminiscence, a political tract, and a humorous meditation, *Homegrown Democrat* is an entertaining, refreshing addition to today's rancorous political debate.

- * A *New York Times* bestseller
- * Updated and revised with a new introduction for the 2006 midterm elections
- * A Featured Alternate Selection of the Book-of-the-Month Club
