Practices of Power: Revisiting the Principalities and Powers in the Pauline Letters (Emerging Scholars) Robert Ewusie Moses

How did the powers “work” in the Pauline community? Robert Ewusie Moses argues that Paul's conception of the powers is best understood through examining the practices he advocates for the early believers. In this detailed study, Moses shows that Paul believed certain practices guarded believers from the dominion of the powers while others exposed humans to the powers of darkness. Moses traces the distinct function of “power-practices” in each of Paul’s letters and draws illuminating comparisons with traditional African religious practices.
